## FATHER FRANZ HUBER ENDOWMENT FUND

Alumni of the FJCU Biology Department are proud to announce the establishment of The Father Franz Huber Endowment Fund. Established in July 2022, and dedicated to the memory of Father Franz Huber, founder of the Department of Biology in 1964, the fund honors Father Huber's lifetime devotion to Fu Jen's advancement of biological science and research, and education.

Renamed in 2001 as the Department of Life Science, this fund will provide a yearly distribution of 4% of the market value to support academic excellence in research, teaching, and scholarships for the department. The balance of the funds are applied to the principal, creating an endowment for continued growth in perpetuity.

Fu Jen University Foundation is a U.S. nonprofit 501 (c) (3) organization (Tax ID #94-3398863) established in 2001, for the support of Fu Jen Catholic University. Contributions are tax-deductible. In addition, many employers offer a matching gift program, please check with your Human Resources Department.
